- 

## Open consultation: Proposed catch limits for October 2018

The Marine Management Organisation (MMO) sets monthly catch limits for quota species to ensure the UK stays within the overall limit set by the EU. These limits apply to all under 10 meter vessels and the over 10 meter vessels that are not in a co-operative (Producer Organisation).

Please contact the MMO if you have any comment to make about the suggested catch limits which will be put into force on 1 October 2018.

Comments to be received no later than 8am on the 26 September 2018.

## **Guidance: Energy Technology List Lighting Toolkit**

For manufacturers and suppliers with lighting products that meet the Energy Technology List criteria, the Toolkit provides information about how to communicate the ETL/ECA scheme benefits and other guidance.

The Energy Technology List comprises the technologies that qualify for the UK government's energy-saving Enhanced Capital Allowance (ECA) scheme and their energy-saving eligibility criteria.
