

Press release: Government launches call for evidence on allocating additional fishing quota in England

Government seeking views on who should benefit from additional quota.

News story: Invasive Species Order 2019: consultation opens

The Government has confirmed the implementation date of the Invasive Alien Species (Enforcement and Permitting) Order 2019.

Eskdalemuir Observatory celebrates world status with neighbours

The Eskdalemuir Observatory, a centre for geophysical and meteorological measurement that has been collecting data for over 100 years, has now received special status from the World Meteorological Organisation (WMO).

One granite leap for mankind...

If humankind is to colonise the Moon, soil scientists of the future won't need to travel quarter of a million miles to learn how to grow crops on the lunar surface – they just need to go to Aberdeen.

Open consultation: Fishing quota allocation: additional fishing quota in England

Seeking evidence to help inform the development of a new approach for the allocation of additional fishing quota in England after Brexit.
