

Packaging waste: apply for registration and accreditation as a reprocessor or exporter

How to apply for mandatory registration and voluntary accreditation as a reprocessor or exporter of packaging waste – includes how to comply with requirements and technical information.

Guidance: Extended producer responsibility for packaging: templates for sampling and inspection plans

If you are required to apply for registration as a reprocessor or exporter of packaging waste under extended producer responsibility (EPR) for packaging, and to apply for optional accreditation, you must submit a sampling and inspection plan using these templates.

Policy paper: National Policy Statement: water resources infrastructure

Policy for developing nationally significant infrastructure projects for water resources in England.

Rabies in bats: how to spot it and report it

Signs that may suggest rabies in bats, what to do if you spot them and measures to prevent exposing yourself to the disease.

Research: Lumpy skin disease in Europe

Preliminary and updated outbreak assessments for lumpy skin disease in Europe.
