

Policy paper: Call for comments on indicative lists for long-chain PFCAs, PFOA and PFHxS, their salts and related compounds

Closed call for comments on a draft indicative list for long-chain perfluorocarboxylic acids, their salts and related compounds.

Hundreds of thousands of homes and businesses to benefit from largest flood defence investment programme in history

Almost £8 billion to be invested in flood defences over the next decade

Corporate report: UK competent authorities for pesticide residues in food: annual report for 2023

Summary of the work carried out by the Health and Safety Executive on the control plans for pesticide residues in food in 2023.

Guidance: Official veterinary surgeon

(OVS) notes

Changes to import controls for animals and products of animal origin.

Guidance: Animals, animal products and HRFNAO imports: authorised border control posts in the UK

Find an approved UK border control post (BCP) to check the animals, animal products or high-risk food and feed of non-animal origin (HRFNAO) in your consignment.
