

Guidance: Sell biodiversity units as a land manager

Steps you can take if you want to sell off-site biodiversity units to developers.

Guidance: Understanding biodiversity net gain

Guidance on what biodiversity net gain is and how it affects land managers, developers, and local planning authorities.

Guidance: Combining environmental payments: biodiversity net gain (BNG) and nutrient mitigation

How land managers can combine biodiversity units and nutrient credits, and sell them alongside other environmental payments.

Guidance: Funding for farmers and land managers

Find out what funding is available for farmers, land managers and foresters.

Consultation outcome: Consultation on Biodiversity Net Gain regulations and implementation

The consultation sets out our proposals, and seeks views, on how biodiversity net gain will work in practice.
