

Six of the best

Six students and trainees from SRUC have been selected as finalists for this year's Awards for Land-based and Aquaculture Skills (the ALBAS).

Digital potential of a sustainable natural economy

The role of digital in securing a green rural economy is the focus of a joint virtual conference being held by SRUC and Teagasc.

Burns suppers bring six-fold increase in haggis sales

The Scottish tradition of celebrating Robert Burns's birthday on 25 January leads to a six-fold increase in the demand for haggis, new research has found.

Mice, camera, action

A novel way of capturing images of small mammals in their natural habitat has been developed by a lecturer at SRUC.

Multiple benefits of winter cereal

grazing

Grazing livestock on winter cereals could help aid soil biology, allow for earlier drilling dates, control pests and diseases and influence yield potential.
