

# Welcome | Valuing Nature Network

Our aim is to improve understanding of the value of nature both in economic and non-economic terms, and improve the use of these valuations in decision making.

To do this, the Valuing Nature Programme will fund interdisciplinary research, and the Valuing Nature Network will build links between researchers and people who make decisions that affect nature in business, policy-making and in practice.

## Invitation – COP15 NERC Economics of Biodiversity Workshops

In the lead up to the UN Biodiversity Conference (CBD COP15), the Natural Environment Research Council (NERC), as part of UK Research and Innovation (UKRI), is bringing together a broad range of communities and building capacity across academia, policy, business and NGOs to promote the importance of addressing research challenges within the area of the economics of biodiversity. NERC invites you to attend a series of two NERC led COP15 workshops themed on the 'Economics of Biodiversity'. These workshops will be held as a virtual meeting on 7<sup>th</sup> and 9<sup>th</sup> September 2021.

For further information, and to express interest in joining this workshop series before the **closing date of 12<sup>th</sup> August**, sign up [here](#).

If you have any questions, please contact [economics@nerc.ukri.org](mailto:economics@nerc.ukri.org)

## [Natural Assets Research & Innovation Platform and Agenda in Support of UK Business & Policy – Pledge Form](#)

The Valuing Nature Programme has worked with business over the last 2 years, funded by the Natural Environment Research Council, to develop a Natural Assets Research and Innovation Agenda in Support of Business and Policy. This has involved:

Based on this work, the Valuing Nature Programme has submitted a Case to NERC, within the context of the NERC [Call for Ideas for potential Strategic Priorities Fund \(SPF\) programmes](#), for an investment of £100m+ in a new ***Natural Assets Research & Innovation Platform and Agenda in Support of UK Business & Policy***.

The idea is now under consideration by NERC, who may work it up to a potential bid to the SPF and/or consider other possible funding modes.

At this stage, we are seeking further support from the business community (and other organisations) through the following pledge form. Please sign this pledge form and help us by promoting signature by relevant business and other contacts in your network. [You can view the list of signatories here](#).

Thank you.
