

#EURegionsWeek 2020 – week 2

□□□The **second week** of this year's #EURegionsWeek is dedicated to the thematic cluster [Cohesion and Cooperation](#). Taking place from 12 to 16 October, this week includes the highest number of working sessions, together with all the political highlights. Make sure to [register](#) to the biggest annual Brussels-based event dedicated to regional policy, this year in a fully digital format, and to watch all the Key moments live.

Do not miss the speech “**Annual Regional and Local Barometer – State of the Union from the regional and local perspective**”, to be given by CoR President Tzitzikostas, or the official **Opening of the #EURegionsWeek 2020**. Certainly follow the **Citizen's Dialogue** – a live debate and exchange between Commissioner Ferreira and young EU citizens, the awarding **Regiostars ceremony** of the excellent and innovative projects financed by cohesion policy, and the take aways of #EURegionsWeek at the **Closing ceremony**.

Discover the interactive exhibition of projects and initiatives around Cohesion and Cooperation, which will be available on [the event website](#).
