

[#EURegionsWeek 2020 – week 3](#)

□The third week of this extended edition of the #EURegionsWeek (19 to 22 October) will revolve around the theme [Green Europe](#).

On 19 October, the week will begin with the **Opening of the Green Week** (organised by DG Environment) in Lisbon with Commissioner Sinkevičius and Commissioner Ferreira as a **handover moment with the European Week of Regions and Cities**.

The programme of the third week is fully dedicated to the Green Europe theme, with a variety of working sessions on topics such as localizing the green deal, energy efficiency and biodiversity.

Check out our [programme](#) and [register](#) in order to have the sessions added to your agenda!

Please read more also about [week 1](#) (Empowering Citizens) and [week 2](#) (Cohesion and Cooperation).
