

# Eurojust launches new visual identity

The Hague, 15 April 2019

Eurojust officially introduced a [new visual identity](#) today to update its image as the EU's leading partner in the field of judicial cooperation.

 Photos © Eurojust

We have a new logo:

as well as a new compact logo:

This compact logo can be combined with national flags to highlight the joint and cooperative character of our work:

The consultants who designed Eurojust's new visual identity are [Rogério Lira](#) and [Desmond Spruijt](#).

Eurojust's completely redesigned website should go online by the end of this year.

For all the elements of the new identity, please see the Eurojust [Press kit](#).
