Eurojust launches new visual identity

The Hague, 15 April 2019

Eurojust officially introduced a <u>new visual identity</u> today to update its image as the EU's leading partner in the field of judicial cooperation.

We have a new logo:

×

as well as a new compact logo:

×

This compact logo can be combined with national flags to highlight the joint and cooperative character of our work:

×

The consultants who designed Eurojust's new visual identity are <u>Rogério Lira</u> and <u>Desmond Spruijt</u>.

Eurojust's completely redesigned website should go online by the end of this year.

For all the elements of the new identity, please see the Eurojust Press kit.
