

Public consultation: guidance on the assessment of the efficacy of feed additives

EFSA has launched a public consultation on its draft guidance on the assessment of the efficacy of feed additives.

The guidance document is intended to assist the applicant in the preparation and presentation of an application for the authorisation of a feed additive. It specifies what kind of information and data applicants need to include in their dossiers to allow EFSA to assess the efficacy of feed additives.

EFSA invites interested parties to submit written comments by 28 January 2018.
