

World Day against Trafficking in Persons

On the occasion of [World Day against Trafficking in Persons](#) we invite you to download or order our publication on *Regulation of labour market intermediaries and the role of social partners in preventing trafficking of labour*.

The right to free movement for workers within the European Union was enshrined in Article 48 of the EEC Treaty in 1957. Nowadays, private labour market intermediaries – such as temporary work agencies and employment placement agencies – contribute to facilitating this labour mobility in their role as mediator between individual workers and organisations in need of labour. However, due to loopholes in regulation, some workers and vulnerable groups run the risk of being exploited by fraudulent agencies. This report examines how public authorities are currently regulating labour market intermediaries across Member States, highlighting the effectiveness or otherwise of different registration or licensing schemes.
