

Floods in Erftstadt, Germany

I was sorry to read of the serious floods on a couple of tributaries to the Rhine. Erftstadt was among the cluster of badly affected towns and is twinned with Wokingham. Wokingham sends condolences for the loss of lives in this disaster, and sympathy for all whose homes and lives have been disrupted. The pictures reveal the brute force of too much water scouring away roads and foundations, tossing cars into heaps of wreckage and reshaping the landscape in an unwelcome way. We wish the rescue services well and hope early action can be taken to restore essential services and provide homes for those who are suffering.
