

# Form: Permanent grassland assessment form: Countryside Stewardship

*Updated:* Form updated.

Use this form with applications that include the options:

- [Permanent grassland with very low inputs \(outside SDAs\) \(GS2\)](#)
- [Assessment of eligibility for permanent grassland options \(GS5\)](#)
- [Management of species-rich grassland \(GS6\)](#)

You do not have to use this form. You can use your own document if it gives enough information to meet the requirements.

Send this form or your own document with an application to show that land is eligible for a permanent grassland option.
