

Friends of Balgay – promoting the park #dundeewestend

It was a pleasure for us both yesterday to visit the Friends of Balgay's informal meeting at the Blackness Library.

It was a great opportunity to find out about the Friends' plans for the coming year and chance to get to chat with the committee.

You can find out more about the Friends of Balgay's activities by contacting the committee at friendsofbalgay@hotmail.com

The Problem
The problem is that the area is a mix of different types of land use. This means that there are a lot of different types of buildings and structures. This makes it difficult to plan and manage the area. The problem is that the area is a mix of different types of land use.
