<u>Getting things done - Hawkhill and</u> Peddie Street #dundeewestend

Residents recently brought to my attention the poor pavement surface at the Peddie Street/Hawkhill junction — on the west side — especially around the drop kerb, where the surface is bumpy with deteriorating tarmac.

I raised this with the council's Roads Maintenance Partnership and have now received the following positive response:

"The Road Maintenance Partnership inspector has advised that he has raised an order for a number of repairs to be carried out by the thermal patching machine at this location."
