

Getting things done – Lime Street/Glenagnes Street #dundeewestend

Last week I had a site visit with some Logie area residents about a number of local issues.

One of these was the damaged state of the roadway at the junction of Lime Street/Glenagnes Street – see below :

I raised this with the council's Roads Maintenance Partnership and have now received the following positive response :

"The inspection has been out to visit the location and has raised CAT 3 orders to have the potholes filled."
