<u>Getting things done - Magdalen Yard</u> Road

Residents remarked to me how pleased they are that the council's unadopted pavements programme is now upgrading the muddy path round the north edge of Magdalen Green to create a proper tarred footway.

As vehicles are unable to be parked in a number short sections of the road during the works, I have asked the council's Roads Maintenance Partnership to take the opportunity to properly clean out the road edges (months of compressed leaves and dirt!) and unblock the drains — see right:
