

Government finance statistics – The extent of contingent liabilities and non-performing loans in the EU Member States

Data on contingent liabilities and non-performing loans of EU governments for the year 2016 have been published today by **Eurostat, the statistical office of the European Union**. This publication includes data on government guarantees, liabilities related to public-private partnerships recorded off-balance sheet of government and liabilities of government controlled entities (public corporations) classified outside general government. Contingent liabilities are only potential liabilities. They may become actual government liabilities if specific conditions prevail.
