The Lands Department today (February 13) posted land resumption notices in accordance with section 14 of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) for the implementation of road improvement works at Hoi Sha Path in Cheung Sha, Lantau Island.

Two private lots with a total area of about 120 square metres will be resumed by the Government. The land will revert to the Government upon the expiry of a period of three months from the date of affixing the notices (i.e. May 14, 2025).

The Government will maintain close liaison with the relevant land owners and affected parties, and properly handle their compensation matters.

The aforementioned works aim to cater for the anticipated increase in traffic and pedestrian flow arising from a proposed residential development in the area.
