

Government response: Statement on charitable giving: Grenfell Tower Fire

The Charity Commission has been working with the charities involved, as well as the key online giving platforms, to help them coordinate their response, ensuring that the victims know how to access help for their urgent, immediate needs, and to help ensure that charities and independent local organisations with strong links to the community are working together to develop plans for supporting the community in the long term. Those who have suffered in this horrendous tragedy are entitled to feel confident that the funds raised in their name reaches them and their community now, and in the weeks, months and years ahead
