

Green Party condemns Trump's attempt to overturn democratic process

4 November 2020

Green Party co-leader Jonathan Bartley, said:

"With millions of votes still to be counted, we utterly reject Donald Trump's attempt to delegitimise the election process and deny millions of electors the right to have their votes counted. He has undermined the international standing of US democracy and abandoned any claim to be the "Leader of the Free World".

"We call on our government to publicly condemn Trump's authoritarian actions and make a clear statement of our continuing support for free and fair elections and the rule of law.

"Democracy requires patience and cooperation. Every vote must be counted."
