

Green Party: Theresa May's desperate bluffing boosts People's Vote campaign

21 September 2018

The Green Party has responded to Theresa May's speech on Brexit following the EU summit in Salzburg [1]

Sian Berry, co-leader of the Green Party, said:

"The only thing Theresa May's desperate bluffing has achieved is boosting the campaign for a People's Vote on Brexit. It is clear we have reached a Brexit deadlock and that negotiations have gone from failure to farce, with the Prime Minister seeming to now blame the EU for the chaos her government has created.

"There is no doubt a no-deal Brexit would be catastrophic for Britain and the Prime Minister's increased threat today is an act of great recklessness. It is more important than ever the people of Britain have the final say on Brexit with a People's Vote."
