

Greens respond to Sunak plans to end 'sick-note culture'

19 April 2024

Responding to Prime Minister Rishi Sunak's plans to stop GPs issuing sick notes to people too ill to work, Green Party co-leader Carla Denyer said:

"How cold hearted do you have to be, and how lacking in empathy, to see this crisis of ill health as anything other than caused by decades of austerity and lack of investment in the NHS?

"The PM should be fixing the NHS so that people can get well, not blaming people who are ill.

"We would invest in mending the health and social care system, not denying people the right to see a GP when they need it."
