

Greens warn of NHS disaster after EEA doctors say they may leave UK

23 February 2017

The Green Party is urging the Government to reassure EU nationals they are welcome in the UK after a survey revealed 12,000 EEA-trained doctors may leave in light of the Brexit vote [1].

Jonathan Bartley, Green Party co-leader, said:

“The potential for EU nationals to be treated like bargaining chips in Brexit negotiations, is all too apparent in these figures. The Government’s rhetoric and failure to provide assurances have had a clear impact on doctors’ lives.

“The NHS is already under immense pressure and if such a large number of staff leave in such a short space of time it will be a complete disaster. The Government needs to recognise the incredible contributions EU nationals make to our society and give concrete reassurances they can continue the lives they’ve built in the UK.”
