

Guidance: Importing animals and animal products if there's no Brexit deal

If the UK leaves the EU in March 2019 without a deal, find out how this would affect anyone who imports animals, animal products and high-risk animal food and feed into the UK. This currently includes 'products of animal origin (POAO)' and 'specified food not of animal origin (FNAO)'. Changes are likely to affect both so-called 'transit consignments' and consignments originating within EU countries.
