

# Happy new year

"Pour me another, lets toast the new year  
Here's to a better, put fizz in our cheer"

Tonight's not for sorrows, no mulling old wounds  
Come banish our troubles, lets sing some new tunes

Caught in the present is a moment to choose  
To look forwards or backwards, to win or to lose

If your comfort is still clinging to what has past  
This precious moment of hope will never last

Grasping the future and its so unknown way  
Could bring success and many a wonderful day

The past is well trodden, we know the ending  
The future is for moulding, shaping, bending

As last year expires, hopes and promises broken  
Change things this time, leave pledges unspoken

So pour me another, drink to the new year

here's to a better, put fizz in our cheer

If your life is a drama you can change the plot  
If your friends are the actors you can recast the lot

If people around you are holding you back  
Tell them you're changing, on a new track

Lets hold on to clichés that drive us to more  
Lets venture out from behind that closed door

We can stretch for the stars and strive for the sun  
We can soar with the wind making life more fun

You are only out of the game when you give up the play  
So write some new words so you have a new say

Aim for something better, embrace the best  
You may fall short of target but gain from the quest

So cast off the old. Live a new dream  
Grab the future foretold. Mine a new seam

So pour me another, lets toast the new year  
Here's to a better, put fizz in our cheer

Trust that tomorrow can be better than today

Let the future empower us with its new way

Lets cast off from covid, from laws, test and trace

Lets make our own minds up and set our own pace

The future is only ours, my friend, if we want to race it  
Tonight is the night to embrace it

So pour me another, lets toast the new year

Here's to a better, put fizz in our cheer
