The Leisure and Cultural Services Department (LCSD) announced that the Hoi Fai Road open space in Tai Kok Tsui has been merged with Hoi Fai Road Garden and renamed as Hoi Fai Road Park, which is open for public use from today (April 10).

Occupying an area of about 9 500 square metres, the park provides a variety of recreational facilities, including a viewing platform, jogging track, fitness corners installed with smart fitness stations, and an inclusive children's playground with diversified equipment suitable for children of all ages. Located near the Olympic MTR Station, the park's design concept incorporates Olympic games elements, which ties in with the upcoming 2024 Paris Olympics, providing the public with a unique visiting experience and ample photo-taking opportunities.

Members of the public who plan to visit the park can walk from Exit A of the Olympic Station for about five minutes, or take various bus and minibus routes to get there. For enquiries, please contact the Yau Tsim Mong District Leisure Services Office of the LCSD at 2314 2392 during office hours.
