Hong Kong Customs on May 12 and yesterday (May 13) seized about 21 kilograms of suspected ketamine and about 1.1kg of suspected cannabis buds with a total estimated market value of about \$10.25 million at Hong Kong International Airport and in Sau Mau Ping.

Through risk assessment, Customs on May 12 inspected an air cargo consignment, declared as audio cable and arriving in Hong Kong from Belgium, at the airport. The consignee address was a residential address in Sau Mau Ping. Upon inspection, Customs officers found about 21kg of suspected ketamine, with an estimated market value of about \$10 million, concealed in the consignment.

After a follow-up investigation, Customs officers conducted a controlled delivery operation yesterday (May 13) and arrested a male consignee, aged 24, in the aforesaid residential unit in Sau Mau Ping. Customs officers later searched the premises and further seized about 1.1kg of suspected cannabis buds with an estimated market value of about \$250,000.

The arrested person has been charged with two counts of trafficking in a dangerous drug. He will appear at the Kwun Tong Magistrates' Courts tomorrow (May 15).

Customs will continue to step up enforcement against drug trafficking activities through intelligence analysis. The department also reminds members of the public to stay alert and not to participate in drug trafficking activities for monetary return. They must not accept hiring or delegation from another party to carry controlled items into and out of Hong Kong. They are also reminded not to carry unknown items for other people, nor to release their personal data or home address to others for receiving parcels or goods.

Customs will continue to apply a risk assessment approach and focus on selecting passengers from high-risk regions for clearance to combat transnational drug trafficking activities.

Under the Dangerous Drugs Ordinance, trafficking in a dangerous drug is a serious offence. The maximum penalty upon conviction is a fine of \$5 million and life imprisonment.

Members of the public may report any suspected drug trafficking activities to Customs' 24-hour hotline 182 8080 or its dedicated crime-reporting email account ([crimereport@customs.gov.hk](mailto:crimereport@customs.gov.hk)) or online form ([eform.cefs.gov.hk/form/ced002](http://eform.cefs.gov.hk/form/ced002)).
