

# Independent report: Expert Committee on Pesticide Residues in Food (PRiF) annual report

*Updated:* Added the 2017 annual report.

These annual reports summarise the work of the Expert Committee on Pesticide Residues in Food (PRiF) from 2015 to 2017.

The Expert Committee on Pesticide Residues in Food (PRiF) provides independent advice to the government on the monitoring of pesticide residues in food.

You can read more information about the work of the [Expert Committee on Pesticide Residues in Food \(PRiF\)](#).
