Labour Leader sends message of hope and peace for Christmas

Labour Leader Jeremy Corbyn is sending out a message of hope and peace in his 2017 Christmas card.

The design echoes the cover of the party's general election manifesto, 'For the Many, not the Few', that helped inspire Labour's biggest increase in vote share since 1945.

The message inside reads: "Wishing you a Merry Christmas and a Happy and Peaceful 2018."

Jeremy Corbyn MP, Leader of the Labour Party, said:

"Christmas is a time to reflect on the urgent need to transform our society to eradicate homelessness, loneliness and poverty, and bring about peace

around the world.

"This year we defied the pundits and in the snap General Election overturned Theresa May's majority and her mandate, giving hope to millions of people that things can and will change.

"We look forward to 2018 as a government in waiting, ready to take over and serve the interests of the many, not the few."
