

Latest arrangements for City Gallery

The Planning Department (PlanD) announced today (April 29) that, in view of the latest situation of COVID-19, the City Gallery will be partially re-opened on May 6 (Wednesday). Touch-based interactive exhibits, public programmes, educational activities and docent services will continue to be temporarily suspended until further notice.

To minimise the risk of infection, special arrangements and precautionary measures will be implemented. Visitors are advised to wear their own masks and will be subject to temperature checks before admission. Crowd control measures may be implemented when necessary. Children under 12 must be accompanied by an adult. In addition, enhanced measures including cleansing and disinfection will be conducted.

The City Gallery will continue to monitor the situation closely and review the arrangements in a timely manner.

For enquiries, please call the City Gallery on 3102 1242 during office hours or visit the City Gallery's website (www.citygallery.gov.hk/en).
