

## Latest arrangements in view of epidemic situation in Guangdong Province

A Government spokesman said today (May 22) that with regard to one confirmed case of COVID-19 in Liwan District of Guangzhou, the Hong Kong Special Administrative Region Government and the Guangdong Provincial Government are assessing the situation. Currently, Jinlong Huixin Building, Longjin Street, Liwan District of Guangzhou has been classified as a medium risk place, while Guangdong Province is not classified as a medium risk place. The current arrangements under the Return2hk Scheme (the Scheme) remain unchanged at this stage. Should there be any adjustments, announcement will be made separately in due course.

Hong Kong residents with a quota should continue to comply with the specified conditions under the Scheme and enter Hong Kong through the control point and on the date as specified by the quota.
