

# LCSD to hold Chinese New Year Lantern Carnival to celebrate spring festival with public (with photos)

To celebrate the festive season with the public, the Leisure and Cultural Services Department (LCSD) is presenting the Chinese New Year Lantern Carnival at the Hong Kong Cultural Centre (HKCC) from today (February 7) until February 12. The carnival, with the theme of "Chinese Lanterns: An Enduring Heritage", features dazzling lanterns and a series of fabulous performances and activities. Members of the public are invited to join for free.

The HKCC piazza is decorated with specially themed lanterns to create a joyful ambience. In addition to a 6-metre ornate palace lantern and an exquisite "Glittering Fish»Lanterns with Abundant Blessings" display launched in mid-January, a number of animal-shaped lanterns such as pandas, colourful peacocks, meerkats and squirrels are also on display. The lanterns will be illuminated from 6pm to 11pm daily.

A range of entertainment and activities with traditional Chinese characteristics and youthful vigour will also be organised. There will be songs, dances and acrobatic performances featuring Bouyei, Dong and Miao ethnic groups by the Guizhou Performance and Arts Group. Other attractions include music, dance and lion dance performances by young local artists and youth organisations, an intangible cultural heritage market and photo exhibition on Guizhou, lantern riddles, inclusive performances, and more.
