

LegCo Members conduct site visit to Tsz Wan Shan area (with photos)

The following is issued on behalf of the Legislative Council Secretariat:

Legislative Council Members conducted a site visit to Tsz Wan Shan area today (March 25) to follow up on issues raised by a deputation relating to a request for provision of Tsz Wan Shan station on the East Kowloon "Crossing-the-Hill" Line.

Accompanied by representatives of the Government, Members visited various locations on Hammer Hill Road, Po Kong Village Road, Tsz Wan Shan Road and Shatin Pass Road to gain a deeper understanding of the geographical environment and actual situation of the area.

During the visit, Members exchanged views with representatives of the Government and urged the Government to proactively study technical feasibility proposals of different new transport systems. Members also hoped that the Government could construct a smart and green mass transit system in Tsz Wan Shan area with a view to resolving the transport inconvenience faced by residents of the area.

Members who participated in the visit were Mr Tang Ka-piu (Convenor), Mr Luk Chung-hung and Mr Yang Wing-kit.
