

LegCo Panel on Transport visits Station Rail Voyage Exhibition at Hung Hom Station on newly added exhibits (with photos)

The following is issued on behalf of the Legislative Council Secretariat:

The Legislative Council (LegCo) Panel on Transport visited Hung Hom Station today (January 17) for the Station Rail Voyage Exhibition of the MTR Corporation Limited (MTRCL), which features new exhibits including the Kowloon-Canton Railway Through Train (Ktt), to gain a deeper understanding of Hong Kong's railway culture and development history.

Members first attended the opening ceremony for the new exhibits of the Station Rail Voyage Exhibition hosted by the MTRCL. Accompanied by the MTRCL representatives, Members then previewed the new display, including the Ktt and other exhibits such as the uniform accessories of past train attendants. The Station Rail Voyage Exhibition, which has been opened to the public since April 2024, features a collection of retired trains.

During the visit, Members exchanged views with the MTRCL representatives on issues including the exhibition's effectiveness in promoting railway culture, the continued enhancement of MTR service efficiency and the progress of new railway projects.

Members who participated in the visit were the Chairman of the Panel, Mr Chan Siu-hung, the Deputy Chairman of the Panel, Mr Yiu Pak-leung, Panel members Mr Michael Tien, Mr Chau Siu-chung and Mr Gary Zhang; as well as a non-Panel member Mr Lau Kwok-fan.
