

# Main topics and media events 17 – 30 December 2018

Overview of the main subjects to be discussed at meetings of the Council of the EU over the next two weeks.

## **Agriculture and Fisheries Council, Monday 17 & Tuesday 18 December 2018**

The Council is due to decide on 2019 fishing opportunities for the Atlantic and North Sea and exchange views on a progress report on the post 2020 CAP reform package, as well as the updated EU bioeconomy strategy.

## **Transport, Telecommunications and Energy Council (Energy), Wednesday 19 December 2018**

The Council will exchange views on the Commission's strategy for long-term greenhouse gas emissions reduction. Ministers will be informed about the state of play of the clean energy package, the Connecting Europe Facility and the gas directive.

## **Environment Council, Thursday 20 December 2018**

Environment ministers will discuss the LIFE programme, CO2 emission standards for trucks, and the EU's new climate action strategy for 2050.
