

# Mainland Olympians display their talents at gala show (with photos)

The 2024 Paris Olympic Games Mainland Olympians delegation shared their experiences and feelings about competitions with spectators at the Mainland Olympians Gala Show at Queen Elizabeth Stadium in Wan Chai tonight (August 30).

The gala show, which provided the public with a chance to see the national athletes, featured exciting programmes. The elite Mainland athletes who took part in the show today demonstrated their talents in various sports and skill contests. They also engaged in friendly chats and shared skills with Hong Kong athletes.

While an audience of over 2 600 enjoyed this fabulous gala show at Queen Elizabeth Stadium, it was also broadcast live on television.

In the morning, the Mainland Olympians took the opportunity to meet different sectors of the Hong Kong public. They shared their successful experiences and techniques with local athletes, primary and secondary school students, representatives of disciplined services and members of the general public. The delegates will attend Sports Demonstrations by Mainland Olympians tomorrow, offering the public another chance to see the national athletes.
