

Marine Accident Statistics report 2019 published

News story

Today, we have issued our Marine Accident Statistics report for 2019.

This report includes:

- a statement from the Chief Inspector of Marine Accidents
- an overview of marine casualty reports to the MAIB in 2019
- detailed statistics for:
 - UK vessels: accidents involving loss of life
 - UK merchant vessels 100gt and over
 - UK merchant vessels under 100gt
 - UK Fishing vessels
 - Non-UK commercial vessels

This document has been added to our [Annual Report 2019 page](#).
