The 15th National Games Triathlon test event will be held at the Central Harbourfront and Victoria Harbour on March 1 (Saturday) and 2 (Sunday). Members of the public are welcome to watch the races on-the-spot.

A total of around 110 athletes from the Mainland, Hong Kong, and Macao will compete in the men's individual, women's individual, and mixed relay events, of whom 6 male athletes and 5 female athletes are from Hong Kong. The women's individual and men's individual races are scheduled for 8am and 10.30am respectively on March 1. The mixed relay race will take place at 2pm on March 2. It will be participated by 15 teams, each of which will comprise 2 male athletes and 2 female athletes.

The starting point of the races will be located at the waterfront of the Wan Chai Temporary Promenade. Athletes will complete the swimming segment, immediately followed by the cycling segment and running segment. The cycling route will be between Golden Bauhinia Square in Wan Chai and International Finance Centre in Central, and the running route will mainly loop around the Central Harbourfront Promenade, passing by several iconic Hong Kong landmarks, including the Hong Kong Convention and Exhibition Centre, the Central Government Offices, the Legislative Council Complex, the Hong Kong Observation Wheel, with the finish line located at the Central Harbourfront Event Space. It is the first time that Hong Kong holds a triathlon mixed relay event and that part of the course and public seats are placed in the Central Harbourfront Event Space to facilitate the public viewing of the races.

Members of the public who wish to have a close sight of the athletes competing in the races may visit the public viewing area at the Central and Western District Promenade (Central Section), which is accessible from MTR Admiralty Station Exit A via Tamar Park. No seating will be arranged. Tickets have been distributed to the public through the Triathlon Association of Hong Kong China. For those who possess a ticket may watch the event at the spectator stand in the Central Harbourfront Event Space after security check. Locations of the public viewing area and public entrance can be found in the annex. A small number of tickets have been reserved for each event day. Members of the public may get a ticket at the public entrance for admission while stocks last.

Radio Television Hong Kong (RTHK) will provide live webcast of the events on the two days (RTHK weblink: [www.rthk.hk/nationalgames](http://www.rthk.hk/nationalgames) and RTHK YouTube channel: [www.youtube.com/RTHK](http://www.youtube.com/RTHK)).

To facilitate the arrangement for the event, the Police will implement

intermittent road closures and temporary road closure measures in the vicinities of Central Harbourfront and Wan Chai North (including Lung Wo Road, Yiu Sing Street, Lung Hop Street, Expo Drive, Expo Drive Central, and Expo Drive East). Intermittent road closures will be implemented from 5am to 8am on February 28, while temporary road closure measures will be put in place from 2am to 2pm on March 1 and from 8am to 6pm on March 2.

In addition, the Police will set up a temporary restricted flying zone (RFZ), extending two kilometres outwards, from the race track from 7am to 1.30pm on March 1 and from 1pm to 5.30pm on March 2. No small unmanned aircraft, except those duly authorised, will be permitted to enter the zone. Details of the temporary RFZ will be shown on the electronic portal for small unmanned aircraft "eSUA".
