BRUSSELS: The EU has condemned an escalation of violence in Sudan's Darfur region, warning of the danger of "another genocide" after the conflict there between 2003-2008 killed some 300,000 people and displaced more than 2 million.

[More Gaza hospitals suspend operations as Israel hunts Hamas](#)

GAZA/JERUSALEM: Two more major hospitals in Gaza closed to new patients on Sunday, with staff saying that Israeli bombardment plus lack of fuel and medicine meant more babies and others could die. Hospitals in the north of the Palestinian enclave are blockaded by Israeli forces and barely able to care for those inside, medical staff said. Israel says it is homing in on Hamas militants in the area and the hospitals should be evacuated.

[Netanyahu rejects growing calls for a cease-fire as Israel battles Hamas outside main Gaza hospital](#)

DEIR AL-BALAH, Gaza Strip: Prime Minister Benjamin Netanyahu pushed back Saturday against growing international calls for a cease-fire, saying Israel's battle to crush Gaza's ruling Hamas militants will continue with "full force." A cease-fire would be possible only if all 239 hostages held by militants in Gaza are released, Netanyahu said in a televised address.

[US military aircraft crashes over eastern Mediterranean Sea](#)

WASHINGTON: A US military aircraft has gone down over the eastern Mediterranean Sea, US European Command said Saturday. The command said in a statement that the aircraft crashed while conducting training operations. It said the cause is under investigation, but there are no indications of any hostile activity involved. The command said that out of respect for the families affected, no other information would be released on personnel involved.
