

Motorcycle traders are invited to see our new RaVe service at the Motorcycle Trade Expo

Come and see our new 'Register a Vehicle electronically' (RaVe) service at the Motorcycle Trade Expo from **Sunday 14 to Tuesday 16 January 2018**.

The feedback we had at [last year's event](#) was really positive, so we're keen to see as many traders as possible at our stand this year.

This will be a great opportunity for you to see our new first registration service, RaVe, and discover how it will benefit your dealership.

RaVe

You'll be familiar with our current [vehicle registration schemes](#), either using our paper V55 forms or web based Automated First Registration and Licensing (AFRL) system.

Our new RaVe service, currently in development, will eventually replace our AFRL web service. It has a totally new look and feel to make it easier for you to use. We're continuing to work with the motor trade to develop the service.

At the event

Allison Avo and I will be on hand to showcase this service and how:

- you'll save time and money, by reducing administration in your business
- to make the transition
- simple it is to use

We'll also answer any questions you may have on vehicle registration and licensing and will demonstrate our digital services.

We want the service to be as user friendly as possible, so your feedback will be really helpful.

For information about the event go to [Motorcycle Trade Expo](#).

We hope to see you there, we're on [stand KS10](#) within the Knowledge Shop.
