

News story: Animal medicines improvement notice: Meditech UK, Trade Stand Doncaster National Spring Pigeon show

This notice was issued to Meditech UK Trade Stand.

The following contravened the Veterinary Medicines Regulation (VMR) 2013:

- Failure to keep records of POM-VPS supplies contrary to regulation 23 (Records of the receipt or supply of prescription products) of the VMR
- Trade stand has no evidence of a valid registration contrary to schedule 3, paragraph 10 (Supply by a pharmacist) as a pharmacist was supplying POM-VPS products.

The improvements required are:

- Evidence of recording of POM-VPS supplies to be provided, including a procedure for all staff outlining who can supply
- Evidence of General Pharmaceutical Council (GPHC) registration to be provided
