

News story: Charity Commission for England and Wales Annual Public Meeting 2019

We will host our Annual Public Meeting in Manchester on Tuesday, 5 March 2019.

This is an opportunity to hear from our Chair, Baroness Tina Stowell, who will be talking about our shared ambition for charities to deliver maximum benefit to society, and about the responsibility all charities share with the Commission for upholding what charity means in the eyes of the public.

Together with her senior team, our CEO Helen Stephenson CBE will then provide a report of our work and take questions from the audience.

Charity Commission staff will be running stands providing advice and information on subjects ranging from registration to how to prevent fraud.

The event takes place at Manchester Hall, 36 Bridge Street, Manchester and will run between 10 am and 1pm.
