

News story: Help Ofqual evaluate this year's new GCSEs, AS and A levels

We're looking for teachers to attend workshops to help us evaluate the impact of reformed qualifications.

We are inviting teachers from across the country to workshops to offer their perspectives on the assessment of this summer's reformed GCSEs, AS and A levels.

The workshops will be our first opportunity to gather qualitative evidence about things that have gone well and any areas of concern. Your feedback will contribute to our thinking about the effectiveness of the reform programme.

The workshops will be held in November at the [University of Warwick](#) in Coventry. These are free events with a limited number of places. Your travel expenses will be reimbursed and lunch will be provided.

Ideally we would like you to have taught the qualification, in its legacy and reformed version. This is so you can comment on the changes and challenges of the new qualifications and how they have been addressed.

We hope that you are able to take advantage of this opportunity to have your say and share your experiences with us.
