Land Registry is requesting supplier feedback on the draft of procurement documents about Digitisation and Transformation.

Digitisation and Transformation forms part of the wider Digitisation and Migration procurement to migrate paper, electronic and/or digital data from 326 LLC registers into the required spatial digital register at Land Registry.

We would like feedback from the supplier market on our draft Statement of Requirements and Digitisation Practice Guide.

These will form part of the upcoming Digitisation and Transformation procurement.

Potential suppliers interested in the Digitisation and Transformation procurement are invited to preview the documents and provide comments.
