

News story: Welsh Government launches policy to deal with radioactive waste

Engineers at work – Peirianwyr yn gweithio

Geological disposal is one of the UK's largest ever environmental protection projects, which will provide a safe and secure long-term solution for the disposal of higher activity radioactive waste.

In support of the [Welsh Government's policy announcement](#), RWM has published information for communities including:

In addition, we have also launched a consultation on how we will evaluate sites in Wales:

A community meeting – Cyfarfod cymunedol

Anyone interested in learning more about geological disposal and what it could mean for their community should visit our [website](#) or contact RWM via gdfenqcymru@nda.gov.uk
