

Open consultation: River basin planning: working together

The [current river basin management plans](#) were published in February 2016. The plans must be reviewed and updated every 6 years. The first consultation on updating the plans is the Working Together consultation.

The Working Together consultation seeks your views on:

- how other plans and strategies affect, or are affected by, the river basin management plans
- the proposed timetable and content of the work programme to review and update the river basin management plans
- whether all relevant stakeholders have been identified
- how people can get involved in the review and update of the river basin management plans
