Residents will recall that, back in August, I was pleased to report that the council's environment manager for our area had advised that a new picnic table would be provided at Lochee Park and it was soon in place – see above.

Since then, many residents have pointed out it is very well-used and could more be provided.

I contacted the environment manager about this and have had the following helpful response :

"There is another picnic table to be installed near the play park, along with a youth shelter which will be nearer to the exercise equipment. These are being done as part of our winter programme of works."

[Love Dundee Local!](#)

Businesses in Dundee are being invited to join the new 'Love Dundee Local' service, which helps local companies to serve local people.

The service, website and mobile app have been developed by the Dundee and Angus Chamber of Commerce, Dundee City Council and key private sector providers to support businesses across sectors.

Local businesses, including shops, pubs, restaurants, bars, and independent drinks merchants have played a key role in their communities throughout the pandemic by safely providing food and drink, gifts, household goods, and other products to families, people on the shielding list and others.

These businesses are now being given the opportunity to join the 'Love Dundee Local' service to offer food, drinks and other products for collection or delivery, in a new way.

This is an excellent initiative and you can find out more [here](#).
